3. TRIGGERS

TR

Declining Revenue or Data Overload: Management notices manual spreadsheets are too slow to show real-time sales impact across different city tour categories.

10. YOUR SOLUTION

SL

Tableau Interactive Dashboard: A visualization module that integrates the entire customer journey—from "Entice" to "Extend"—to reveal total sales impact.

8. CHANNELS of BEHAVIOUR

CH

Online & Offline Bookings: Data is collected from the website (Online) and on-site ticket booths (Offline).
